

Sweet Loving

1x

I want to share it all with you.
I want to share it all with you.

Like a loop inside my soul - like a whale coming up to breathe.
You're simply wonderful - a sight, like a kind of heaven-sent.
I'm so happy, it's beyond belief. ... It's no daydream anymore.
Shine on me, love. Stay for a little lifetime from now on.

Anything that you desire - more than you'll ever need.
Our hearts are set on fire with precious colours so sweet.
The whole globe - or whatever - even an angel twice as clever, couldn't get it
across ... the way you do - ohhh.

Sweet loving ... sweet sweet loving ... sweet loving ... is up in the air.

- - - 3 Tunes

To be with you, taking care of you, being aware of you, frees my soul, too - it
really frees my soul, too.

I know you enjoy it. And so I do, ooh!

No doubt, we feel the energy taking us out of the blue.

Anything that you desire - more than you'll ever need.
Our hearts are set on fire, triggered by love's **greatest symphony**.

Sweet loving ... sweet sweet loving ... sweet loving ... is up in the air. **Sweet
loving ... sweet sweet loving ... sweet loving ...** we can feel it here.

- - - 5 Tunes [Phaser]

I want to share it all with you - **Friendship, libido and soul!**

Sweet loving ... sweet sweet loving ... sweet loving
... oh yeah, is up in the air.

**Chor: Se aman mucho aunque sea loco. Y esto es el fuego más puro que
conozco. Se aman, y eso no es loco. Y para los amantes el mundo es tan poco.**

Sweet loving ... sweet sweet loving ... sweet loving ... we can feel it here.
Sweet loving ... sweet sweet loving ... sweet loving, oh yeah, it s up in the air.
Sweet loving ... sweet loving ... sweet loving ... **keeps on shining in the air.**
Sweet loving, sweet loving, we can feel it here.
